2024 Survey Results

114 fields · [schema source](#) (click to access the schema file)

Key	Value Type	Key Description
ResponseId	number (integer)	Unique identifier assigned to each survey respondent.
MainBranch	string	Which of the following options best describes you today? For the purpose of this survey, a developer is "someone who writes code".*
Age	string	What is your age?*
Employment	string	Which of the following best describes your current employment status? Select all that apply.*
RemoteWork	string	Which best describes your current work situation?
Check	string	Just checking to make sure you are paying attention to the survey questions. Select 'Apples' from the list and you can get back to the survey.*
CodingActivities	string	Which of the following best describes the code you write outside of work? Select all that apply.
EdLevel	string	Which of the following best describes the highest level of formal education that you've completed? *
LearnCode	string	How do you learn to code? Select all that apply.
LearnCodeOnline	string	What online resources do you use to learn to code? Select all that apply.
TechDoc	string	What is the source of the technical documentation you use most often to learn to code? Select all that apply.
YearsCode	string	Including any education, how many years have you been coding in total?
YearsCodePro	string	NOT including education, how many years have you coded professionally (as a part of your work)?
DevType	string	Which of the following describes your current job, the one you do most of the time? Please select only one.
OrgSize	string	Approximately how many people are employed by the company or organization you currently work for? This should only include your primary company, and not the entire holding or parent company if that applies.
PurchaseInfluence	string	What level of influence do you, personally, have over new technology purchases at your organization?
BuyNewTool	string	When buying a new tool or software, how do you discover and research available solutions? Select all that apply.
BuildvsBuy	string	When asked to provide a recommendation for solving a problem at work with a new tool or software, what has been your most recent choice of the following?
TechEndorse	string	What product feature do you care about most when endorsing a technology purchase? Select all that apply.
Country	string	Where do you live? *
Currency	string	Which currency do you use day-to-day? If your answer is complicated, please pick the one you're most comfortable estimating in. *
CompTotal	number (float)	What is your current total annual compensation (salary, bonuses, and perks, before taxes and deductions)? Please enter a whole number in the box below, without any punctuation. If you are paid hourly, please estimate an equivalent yearly salary. If you prefer not to answer, please leave the box empty.
LanguageHaveWorkedWith	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
LanguageWantToWorkWith	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
LanguageAdmired	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
DatabaseHaveWorkedWith	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked

Key	Value Type	Key Description
		with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
DatabaseWantToWorkWith	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
DatabaseAdmired	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
PlatformHaveWorkedWith	string	Which cloud platforms have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
PlatformWantToWorkWith	string	Which cloud platforms have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
PlatformAdmired	string	Which cloud platforms have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
WebframeHaveWorkedWith	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
WebframeWantToWorkWith	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
WebframeAdmired	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
EmbeddedHaveWorkedWith	string	Which embedded systems and technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
EmbeddedWantToWorkWith	string	Which embedded systems and technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
EmbeddedAdmired	string	Which embedded systems and technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
MiscTechHaveWorkedWith	string	Which other frameworks and libraries have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
MiscTechWantToWorkWith	string	Which other frameworks and libraries have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
MiscTechAdmired	string	Which other frameworks and libraries have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in

Key	Value Type	Key Description
		that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
ToolsTechHaveWorkedWith	string	Which developer tools for compiling, building and testing have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the technology and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
ToolsTechWantToWorkWith	string	Which developer tools for compiling, building and testing have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the technology and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
ToolsTechAdmired	string	Which developer tools for compiling, building and testing have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the technology and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
NEWCollabToolsHaveWorkedWith	string	Which development environments did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
NEWCollabToolsWantToWorkWith	string	Which development environments did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent wants to work with next year.
NEWCollabToolsAdmired	string	Which development environments did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
OpSysPersonal use	string	What is the primary operating system in which you work? Sub-item: operating system used for personal use.
OpSysProfessional use	string	What is the primary operating system in which you work? Sub-item: operating system used for professional/work use.
OfficeStackAsyncHaveWorkedWith	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with in the past year.
OfficeStackAsyncWantToWorkWith	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent wants to work with next year.
OfficeStackAsyncAdmired	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
OfficeStackSyncHaveWorkedWith	string	Which communication tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with in the past year.
OfficeStackSyncWantToWorkWith	string	Which communication tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent wants to work with next year.
OfficeStackSyncAdmired	string	Which communication tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
AIsearchDevHaveWorkedWith	string	Which AI-powered search and developer tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
AIsearchDevWantToWorkWith	string	Which AI-powered search and developer tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply. Sub-item: technologies in this category the respondent wants to work with next year.
AIsearchDevAdmired	string	Which AI-powered search and developer tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
NEWSOSites	string	Which of the following Stack Overflow sites have you visited? Select all that apply. *
SOVisitFreq	string	How frequently would you say you visit Stack Overflow?
SOAccount	string	Do you have a Stack Overflow account?
SOPartFreq	string	How frequently would you say you participate in Q&A on Stack Overflow? By participate we mean ask, answer, vote for, or comment on questions.

Key	Value Type	Key Description
SOHow	string	How do you use Stack Overflow? Select all that apply.
SOCComm	string	Do you consider yourself a member of the Stack Overflow community?
AISelect	string	Do you currently use AI tools in your development process? *
AIStent	string	How favorable is your stance on using AI tools as part of your development workflow?
AIBen	string	For the AI tools you use as part of your development workflow, what are the MOST important benefits you are hoping to achieve? Please check all that apply.
AIACC	string	How much do you trust the accuracy of the output from AI tools as part of your development workflow?
AIComplex	string	How well do the AI tools you use in your development workflow handle complex tasks?
AIToolCurrently Using	string	Which parts of your development workflow are you currently using AI tools for and which are you interested in using AI tools for over the next year? Please select all that apply. Sub-item: option the respondent is currently using.
AIToolInterested in Using	string	Which parts of your development workflow are you currently using AI tools for and which are you interested in using AI tools for over the next year? Please select all that apply. Sub-item: option the respondent is interested in using.
AIToolNot interested in Using	string	Which parts of your development workflow are you currently using AI tools for and which are you interested in using AI tools for over the next year? Please select all that apply. Sub-item: option the respondent is not interested in using.
AINextMuch more integrated	string	Thinking about how your job and process changes over time, how integrated in your workflow do you anticipate AI tools you are currently using will be 1 year from now? Sub-item: respondent expects AI to be much more integrated into their workflow next year.
AINextNo change	string	Thinking about how your job and process changes over time, how integrated in your workflow do you anticipate AI tools you are currently using will be 1 year from now? Sub-item: respondent expects no change in AI integration in their workflow next year.
AINextMore integrated	string	Thinking about how your job and process changes over time, how integrated in your workflow do you anticipate AI tools you are currently using will be 1 year from now? Sub-item: respondent expects AI to be somewhat more integrated into their workflow next year.
AINextLess integrated	string	Thinking about how your job and process changes over time, how integrated in your workflow do you anticipate AI tools you are currently using will be 1 year from now? Sub-item: respondent expects AI to be somewhat less integrated into their workflow next year.
AINextMuch less integrated	string	Thinking about how your job and process changes over time, how integrated in your workflow do you anticipate AI tools you are currently using will be 1 year from now? Sub-item: respondent expects AI to be much less integrated into their workflow next year.
AIThreat	string	Do you believe AI is a threat to your current job?
AIEthics	string	Which AI ethical responsibilities are most important to you? Select all that apply.
AIChallenges	string	What are the challenges to your company/whole team using AI code assistants or GenAI tools? Select all that apply.
TBranch	string	Would you like to participate in the Professional Developer Series? *
ICorPM	string	Are you an individual contributor or people manager?
WorkExp	number (float)	How many years of working experience do you have?
Knowledge_1	string	I have interactions with people outside of my immediate team.
Knowledge_2	string	Knowledge silos prevent me from getting ideas across the organization (i.e., one individual or team has information that isn't shared with others)
Knowledge_3	string	I can find up-to-date information within my organization to help me do my job.
Knowledge_4	string	I am able to quickly find answers to my questions with existing tools and resources.
Knowledge_5	string	I know which system or resource to use to find information and answers to questions I have.
Knowledge_6	string	I often find myself answering questions that I've already answered before.
Knowledge_7	string	Waiting on answers to questions often causes interruptions and disrupts my workflow.
Knowledge_8	string	I feel like I have the tools and/or resources to quickly understand and work on any area of my company's code/system/platform.
Knowledge_9	string	I have asked my employer to reimburse me for tools or a product that helps me do my job better or faster
Frequency_1	string	Needing help from people outside of your immediate team?
Frequency_2	string	Interacting with people outside of your immediate team?
Frequency_3	string	Encountering knowledge silos (where one individual or team has information that's not shared or distributed with other individuals or teams) at work?
TimeSearching	string	On an average day, how much time do you typically spend searching for answers or solutions to problems you encounter at work? (This includes time spent searching on your own, asking a colleague, and waiting for a response).
TimeAnswering	string	On an average day, how much time do you typically spend answering questions you get asked at work?

Key	Value Type	Key Description
Frustration	string	Which of these company challenges causes you the most frustration? Select all that apply.
ProfessionalTech	string	My company has:
ProfessionalCloud	string	At my company, our applications, databases and services are hosted:
ProfessionalQuestion	string	When you have a technical question at work, where do you first go to get an answer?
Industry	string	What industry is the company you work for in?
JobSatPoints_1	number (float)	Driving strategy for my team
JobSatPoints_4	number (float)	Contributing to open source
JobSatPoints_5	number (float)	Securing data and environments
JobSatPoints_6	number (float)	Improving quality of code and developer environments
JobSatPoints_7	number (float)	Learning and using new technology, including platforms, APIs and libraries
JobSatPoints_8	number (float)	Designing and building environments, databases, and all things architecture
JobSatPoints_9	number (float)	Being a power user of a tool, developer language or process that others come to for answers and guidance about
JobSatPoints_10	number (float)	Working with new and/or top-quality hardware
JobSatPoints_11	number (float)	A well-staffed/sourced internal network that makes observability easy so network or runtime issues are addressed and fixed easily
SurveyLength	string	How do you feel about the length of the survey this year?
SurveyEase	string	How easy or difficult was this survey to complete?
ConvertedCompYearly	number (float)	Respondent's annual compensation (CompTotal), converted to US dollars for cross-currency comparison.
JobSat	number (float)	How satisfied are you in your current professional developer role?

2025 Survey Results

172 fields · [schema source](#) (click to access the schema file)

Key	Value Type	Key Description
ResponseId	number (integer)	Unique identifier assigned to each survey respondent.
MainBranch	string	Are you someone who writes code? Please select one of the following options that best describes you today.
Age	string	What is your age?
EdLevel	string	Which of the following best describes the highest level of formal education that you've completed?
Employment	string	Which of the following best describes your current employment status?
EmploymentAddl	string	Which of the following additional activities are you currently engaged in?
WorkExp	number (float)	How many years of professional work experience do you have? Please round to the nearest whole number, excluding any decimal points. If your answer is '0', please leave blank.
LearnCodeChoose	string	Did you begin learning to code or learn a new coding skill/programming language in the last year?
LearnCode	string	How did you learn to code in the past year? Select all that apply.
LearnCodeAI	string	Did you spend time in the last year learning AI programming or AI-enabled tooling on your own or at work?
AILearnHow	string	How did you learn to code for AI in the past year? Select all that apply.
YearsCode	number (float)	Including any education, how many years have you been coding in total? Please round to the nearest whole number, excluding any decimal points.
DevType	string	Which of the following describes your current job or the job you had for the most time in the past year?
OrgSize	string	Approximately how many people are employed by your employer? This should only include your primary company, and if there was more than one employer please consider the one you spent most of your time working for in the past year.
ICorPM	string	Are you an individual contributor or people manager?
RemoteWork	string	Which best describes your current work situation?
PurchaseInfluence	string	Have you influenced or endorsed a new technology purchase at your organization or sole proprietor job in the past year?
TechEndorseIntro	string	When you're in a position to influence or endorse a technology, whether at work, for school, or for a personal project you're responsible for, what features or attributes matter most when deciding to support a tool? What factors would be deal-breakers? First, select the context (work, school, personal project). Then, rank the following features in order of importance.
TechEndorse_1	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_2	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_3	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_4	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_5	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_6	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_7	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_8	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_9	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_13	number (float)	What attracts you to a technology or causes you to endorse it (most to least important)?
TechEndorse_13 TEXT	string	What attracts you to a technology or causes you to endorse it (most to least important)?
TechOppose_1	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_2	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_3	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_5	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_7	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_9	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_11	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_13	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_16	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_15	number (float)	What would turn you off or cause you to reject it (most to least important)?
TechOppose_15 TEXT	string	What would turn you off or cause you to reject it (most to least important)?
Industry	string	What industry do you work for in?
JobSatPoints_1	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):

Key	Value Type	Key Description
JobSatPoints_2	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_3	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_4	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_5	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_6	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_7	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_8	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_9	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_10	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_11	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_13	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_14	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_15	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_16	number (float)	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
JobSatPoints_15_TEXT	string	Rank the following attributes of your current professional job in technology according to those that contribute your job satisfaction so that the first is the most important, last is least important (if you just started a new job, consider the job you spent the most time at in the past year):
AIThreat	string	Do you believe AI is a threat to your current job?
NewRole	string	Have you considered a career change or transitioned into a new role in the past year?
ToolCountWork	number (float)	For your primary work role (student, developer, or technologist) over the past year: Excluding general operating systems (like Windows or macOS) and web browsers, how many distinct software applications or platforms did you regularly use to create, analyze, manage, or share information in order to do your job? Please enter a whole number below with no punctuation, or leave blank.

Key	Value Type	Key Description
ToolCountPersonal	number (float)	For your side projects or other personal work over the past year (focus on the project you spent the most time on if applicable): Excluding general operating systems and web browsers, how many distinct software applications or platforms did you regularly use to do your job? Please enter a whole number below with no punctuation, or leave blank.
Country	string	Where do you live?
Currency	string	Which currency do you use day-to-day? If your answer is complicated, please pick the one you're most comfortable estimating in.
CompTotal	number (float)	What is your current total annual compensation (salary, bonuses, and perks, before taxes and deductions) in terms of your day-to-day currency? Please enter a whole number in the box below, without any punctuation. If you are paid hourly, please estimate an equivalent yearly salary. If you prefer not to answer, please leave the box empty.
LanguageChoice	string	Did you work with programming, scripting and markup languages in the last year or do you plan to in the year to come? Here, we are referring to anything you use that is conventionally referred to as code.
LanguageHaveWorkedWith	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
LanguageWantToWorkWith	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
LanguageAdmired	string	Which programming, scripting, and markup languages have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the language and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
LanguagesHaveEntry	string	Was the programming language you use not listed above? List below, separated by a comma and a space for each, the programming language(s) you used in the past year.
LanguagesWantEntry	string	Was the programming language you want to use not listed above? List below, separated by a comma and a space for each, the programming language(s) you want to use next year.
DatabaseChoice	string	Did you work with database environments in the last year or do you plan to in the year to come? Here, we are referring to a system of managing structured data, mostly outside of your local machine.
DatabaseHaveWorkedWith	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
DatabaseWantToWorkWith	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
DatabaseAdmired	string	Which database environments have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the database and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
DatabaseHaveEntry	string	Was the database environment you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
DatabaseWantEntry	string	Was the database environment you want to use not listed above? List below, separated by a comma and a space for each, what you want to use next year.
PlatformChoice	string	Did you work with cloud platforms, containerization/orchestration tools, package managers, build tools or infrastructure as code solutions in the last year or do you plan to in the year to come? Here, we are referring to tooling that automates, manages, and scales the entire application lifecycle, often leveraging remote, virtualized resources.
PlatformHaveWorkedWith	string	Which cloud platforms, containerization/orchestration tools, package managers, build tools, and infrastructure as code solutions have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
PlatformWantToWorkWith	string	Which cloud platforms, containerization/orchestration tools, package managers, build tools, and infrastructure as code solutions have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both

Key	Value Type	Key Description
		worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
PlatformAdmired	string	Which cloud platforms, containerization/orchestration tools, package managers, build tools, and infrastructure as code solutions have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the platform and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
PlatformHaveEntry	string	Was the cloud platforms, containerization/orchestration tools, package managers, build tools, and infrastructure as code solutions you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
PlatformWantEntry	string	Was the cloud platforms, containerization/orchestration tools, package managers, build tools, and infrastructure as code solutions you want to use not listed above? List below, separated by a comma and a space for each, what you want to use next year.
WebframeChoice	string	Did you work with web frameworks and web technologies in the last year or do you plan to in the year to come? Here, we are referring to technology that helps website and web apps materialize.
WebframeHaveWorkedWith	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with in the past year.
WebframeWantToWorkWith	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent wants to work with next year.
WebframeAdmired	string	Which web frameworks and web technologies have you done extensive development work in over the past year, and which do you want to work in over the next year? (If you both worked with the framework and want to continue to do so, please check both boxes in that row.) Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
WebframeHaveEntry	string	Were the web frameworks and web technologies you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
WebframeWantEntry	string	Were the web frameworks and web technologies you want to use not listed above? List below, separated by a comma and a space for each, the what you want to use next year.
DevEnvsChoice	string	Did you work with development environments or AI-enabled code editing tools in the last year or do you plan to in the year to come? Here, we are referring to programs like VS Code that allow you to write, edit and save code easily and help you share code with other developers or AI agents.
DevEnvsHaveWorkedWith	string	Which development environments and AI-enabled code editing tools did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
DevEnvsWantToWorkWith	string	Which development environments and AI-enabled code editing tools did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent wants to work with next year.
DevEnvsAdmired	string	Which development environments and AI-enabled code editing tools did you use regularly over the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
DevEnvHaveEntry	string	Was the developer environment or AI-enabled code editing tool you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
DevEnvWantEntry	string	Was the developer environment or AI-enabled code editing tool you want to use not listed above? List below, separated by a comma and a space for each, what you want to use next year.
SOTagsHaveWorkedWith	string	Which rising technology of the added as new tag or tag subject area on Stack Overflow in the last three years have you used regularly in the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
SOTagsWantToWorkWith	string	Which rising technology of the added as new tag or tag subject area on Stack Overflow in the last three years have you used regularly in the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent wants to work with next year.

Key	Value Type	Key Description
SOTagsAdmired	string	Which rising technology of the added as new tag or tag subject area on Stack Overflow in the last three years have you used regularly in the past year, and which do you want to work with over the next year? Please check all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
SOTagsHaveEntry	string	Was the new tag on Stack Overflow (i.e. added in the last 2 - 3 years) you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
SOTagsWant Entry	string	Was the new tag on Stack Overflow (i.e. added in the last 2 - 3 years) you want to use not listed above? List below, separated by a comma and a space for each, what you want to use next year.
OpSysPersonal use	string	What is the primary operating system in which you work? Sub-item: operating system used for personal use.
OpSysProfessional use	string	What is the primary operating system in which you work? Sub-item: operating system used for professional/work use.
OfficeStackAsyncHaveWorkedWith	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with in the past year.
OfficeStackAsyncWantToWorkWith	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent wants to work with next year.
OfficeStackAsyncAdmired	string	Which collaborative work management and/or code documentation tools did you use regularly over the past year, and which do you want to work with over the next year? Select all that apply Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
OfficeStackHaveEntry	string	Was the collaborative work management and/or code documentation tools you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
OfficeStackWantEntry	string	Was the collaborative work management and/or code documentation tools you want to use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
CommPlatformHaveWorkedWith	string	Which community platforms have you utilized considerably or consistently in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
CommPlatformWantToWorkWith	string	Which community platforms have you utilized considerably or consistently in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent wants to work with next year.
CommPlatformAdmired	string	Which community platforms have you utilized considerably or consistently in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
CommPlatformHaveEntr	string	Was the community platform you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
CommPlatformWantEntr	string	Was the community platform you want to use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
AIModelsChoice	string	Did you utilize or integrate specific Large Language Models (LLMs) to power your development tools or applications in the last year? Here, we are referring to models like GPT-4, Llama, Claude, etc., within your development environments or solutions.
AIModelsHaveWorkedWith	string	Which LLM models for AI tools have you used for development work in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with in the past year.
AIModelsWantToWorkWith	string	Which LLM models for AI tools have you used for development work in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent wants to work with next year.
AIModelsAdmired	string	Which LLM models for AI tools have you used for development work in the past year, and which would you like to use next year? Select all that apply. Sub-item: technologies in this category the respondent has worked with AND wants to continue using.
AIModelsHaveEntry	string	Was the LLM model for AI tools you use not listed above? List below, separated by a comma and a space for each, what you used in the past year.
AIModelsWantEntry	string	Was the LLM model for AI tools you want to use not listed above? List below, separated by a comma and a space for each, what you want to use next year.
SOAccount	string	Do you have a Stack Overflow account?
SOVisitFreq	string	How frequently would you say you visit Stack Overflow?
SODuration	string	How long have you used Stack Overflow?
SOPartFreq	string	How frequently would you say you participate in Q&A on Stack Overflow? By participate we mean ask, answer, and vote or comment on questions.

Key	Value Type	Key Description
SO_Dev_Content	string	Whether it be to solve a problem, for career growth or connecting with a community of developers, is there an alternative to the Q&A format you prefer using today or would like to see on Stack Overflow to get what you need? Select all that apply.
SO_Actions_1	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_16	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_3	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_4	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_5	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_6	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_9	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_7	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_10	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_15	number (float)	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SO_Actions_15_TEXT	string	When visiting Stack Overflow, which following activities are you most interested in? Please rank the following so the first activity is what most interests you and last is your least interested activity.
SOCComm	string	Do you consider yourself a member of the Stack Overflow community?
SOFriction	string	When you visit Stack Overflow, how often is it a result of encountering issues from AI or AI-enabled tools that require extra time or effort to fix, understand, or debug?
AISelect	string	Do you currently use AI tools in your development process?
AISent	string	How favorable is your stance on using AI tools as part of your development workflow?
AIAcc	string	How much do you trust the accuracy of the output from AI tools as part of your development workflow?
AIComplex	string	How well do the AI tools you use in your development workflow handle complex tasks?
AIToolCurrently partially AI	string	Which parts of your development workflow are you currently integrating into AI or using AI tools to accomplish or plan to use AI to accomplish over the next 3 - 5 years? Please select one for each scenario. Sub-item: task is currently done partially with AI.
AIToolDon't plan to use AI for this task	string	Which parts of your development workflow are you currently integrating into AI or using AI tools to accomplish or plan to use AI to accomplish over the next 3 - 5 years? Please select one for each scenario. Sub-item: respondent does not plan to use AI for this task.
AIToolPlan to partially use AI	string	Which parts of your development workflow are you currently integrating into AI or using AI tools to accomplish or plan to use AI to accomplish over the next 3 - 5 years? Please select one for each scenario. Sub-item: respondent plans to partially use AI for this task.
AIToolPlan to mostly use AI	string	Which parts of your development workflow are you currently integrating into AI or using AI tools to accomplish or plan to use AI to accomplish over the next 3 - 5 years? Please select one for each scenario. Sub-item: respondent plans to mostly use AI for this task.
AIToolCurrently mostly AI	string	Which parts of your development workflow are you currently integrating into AI or using AI tools to accomplish or plan to use AI to accomplish over the next 3 - 5 years? Please select one for each scenario. Sub-item: task is currently done mostly with AI.
AIFrustration	string	When using AI tools, which of the following problems or frustrations have you encountered? Select all that apply.
AIExplain	string	In your own words, is "vibe coding" part of your professional development work? For this question, we define vibe coding according to the Wikipedia definition, the process of generating software from LLM prompts.

Key	Value Type	Key Description
AIAgents	string	Are you using AI agents in your work (development or otherwise)? AI agents refer to autonomous software entities that can operate with minimal to no direct human intervention using artificial intelligence techniques.
AIAgentChange	string	Have AI tools or AI agents changed how you complete development work in the past year?
AIAgent_Uses	string	What industry purposes or specific tasks are you using AI agents in your development work? Select all that apply from both lists.
AgentUsesGeneral	string	
AIAgentImpactSomewhat agree	string	To what extent do you agree with the following statements regarding the impact of AI agents on your work as a developer? Sub-item: Likert response - somewhat agree.
AIAgentImpactNeutral	string	To what extent do you agree with the following statements regarding the impact of AI agents on your work as a developer? Sub-item: Likert response - neutral.
AIAgentImpactSomewhat disagree	string	To what extent do you agree with the following statements regarding the impact of AI agents on your work as a developer? Sub-item: Likert response - somewhat disagree.
AIAgentImpactStrongly agree	string	To what extent do you agree with the following statements regarding the impact of AI agents on your work as a developer? Sub-item: Likert response - strongly agree.
AIAgentImpactStrongly disagree	string	To what extent do you agree with the following statements regarding the impact of AI agents on your work as a developer? Sub-item: Likert response - strongly disagree.
AIAgentChallengesNeutral	string	To what extent do you agree with the following statements regarding AI agents? Sub-item: Likert response - neutral.
AIAgentChallengesSomewhat disagree	string	To what extent do you agree with the following statements regarding AI agents? Sub-item: Likert response - somewhat disagree.
AIAgentChallengesStrongly agree	string	To what extent do you agree with the following statements regarding AI agents? Sub-item: Likert response - strongly agree.
AIAgentChallengesSomewhat agree	string	To what extent do you agree with the following statements regarding AI agents? Sub-item: Likert response - somewhat agree.
AIAgentChallengesStrongly disagree	string	To what extent do you agree with the following statements regarding AI agents? Sub-item: Likert response - strongly disagree.
AIAgentKnowledge	string	You indicated you use or develop AI agents as part of your development work. Have you used any of the following tools for AI agent memory or data management in the past year?
AIAgentKnowWrite	string	Was the tool or tools for AI agent orchestration or agent frameworks you used in the past year not listed above? Please write them below separated by a comma and space if there are more than one.
AIAgentOrchestration	string	You indicated you use or develop AI agents as part of your development work. Have you used any of the following tools for AI agent orchestration or agent frameworks in the past year?
AIAgentOrchWrite	string	Was the tool or tools for AI agent orchestration or agent frameworks you used in the past year not listed above? Please write them below separated by a comma and space if there are more than one.
AIAgentObserveSecure	string	You indicated you use or develop AI agents as part of your development work. Have you used any of the following tools for AI agent observability, monitoring or security in the past year?
AIAgentObsWrite	string	Was the tool or tools for AI agent observability, monitoring or security you used in the past year not listed above? Please write them below separated by a comma and space if there are more than one.
AIAgentExternal	string	You indicated you use or develop AI agents as part of your development work. Have you used any of the following out-of-the-box agents, copilots or assistants?
AIAgentExtWrite	string	Was the out-of-the-box agents, copilots or assistants you used in the past year not listed above? Please write them below separated by a comma and space if there are more than one.
AIHuman	string	In the future, if AI can do most coding tasks, in which situations would you still want to ask another person for help? Select all that apply.
AIOpen	string	Looking ahead 3–5 years, what skills do you believe will remain valuable for developers even as AI tools become more capable? Please describe.
ConvertedCompYearly	number (float)	Respondent's annual compensation (CompTotal), converted to US dollars for cross-currency comparison.
JobSat	number (float)	How satisfied are you in your current professional developer role?
